

Donations to Virginia Organizing support grassroots organizing for real people, to create real change.

Every donation matters.

Every day, lives are changed when people are empowered to move to action and raise their voices. Victory in making real change is important, but so is the feeling of solidarity we share as part of a long history of social movements.

What Virginia Organizing is currently accomplishing with the help of all our supporters:

- Virginia Organizing meets people where they are to engage them in the political processes that affect their lives.
- We have 12 grassroots organizers and 19 chapters in communities and colleges across Virginia.
- Our leaders and staff organize and facilitate hundreds of workshops, trainings, forums and direct actions every year that involve thousands of grassroots leaders.
- Our staff train and supervise interns so a new generation can learn the theory and practice of community organizing from experienced organizers.

We believe in creating long-term systemic change. Because of this belief, Virginia Organizing is statewide, non-partisan, and organizing for social change in local communities.

Virginia Organizing has always been committed to working in communities that have been marginalized, with people who have traditionally been left out of important decision-making that affects their lives.

Every donation makes this work possible.

Virginia Organizing's Strategic Plan includes ambitious goals that we can achieve with your help. To learn more about our work, visit www.virginia-organizing.org.
