

April 16, 2014

William J. Howell
Speaker of the House of Delegates
General Assembly Building, Suite 635
Richmond, Virginia 23218

Dear Speaker Howell,

We are current and former small-business owners and leaders in Virginia. We believe that there is a strong business case for including Medicaid expansion in the 2014 budget. Accepting federally funded Medicaid expansion would save lives, save financially at-risk rural hospitals, improve public health, create jobs, and boost the state economy.

We support including Medicaid expansion in Virginia's budget to expand coverage for nearly 200,000 of the state's poor and disabled; and preserve the financial stability of the entire state.

We call on the Virginia General Assembly to put Virginians first and pass a budget that includes Medicaid expansion.

The undersigned,
